Dear Sirs:-

As you requested by telephone this morning, I have allowed your photographer to take photographs of various decorations that he selected. As I informed you, we give this permission with the understanding that when the prints are published the statement is made that they are from this Society's collection. I would be obliged if you would inform me as to when and where the article is published, and if possible I will be glad to secure a copy.

Very truly yours,

Secretary.
